Mr. John Connolly,
Mgr. Pioneers Baseball Club,
Mitchell Park,
Stamford, Conn.

Dear Sir:

I am in receipt of your letter, stating the game between the Newark Eagles and the Stamford Pioneers had been cancelled. Your contract of July 5th called for payment of \$50.00 by either party who broke the agreement, in view of the fact that you cancelled the game and sent me notice to that effect through the mail, I am looking to you for the payment of this sum, in accordance with your signed agreement.

I had looked forward to playing the game and was expecting to receive quite a nice sum as a result.

Very truly yours,
